Single Source Recycling Services

An emphasis on safety is as important to FCC as it is to the over 40,000 customers we provide oily-waste services to nationwide. With FCC, you can have peace-of-mind that your environmental management needs will be met safely and in complete regulatory compliance.

FCC Environmental compliance includes:

- Sampling, analysis and "fingerprinting" in company-owned laboratories
- Pollution liability insurance
- Environmental, Health and Safety audits of FCC and other approved facilities
- Fully permitted and insured FCC transportation fleet
- Professionally trained DOT and OSHA-compliant FCC fleet operators
