

FCC environmental

If you're going to make a change, make a difference!

Why use FCC for your parts cleaner needs?

Our Superior Solvents...

- **100% Virgin solvents everytime**
- **Contains no trace contaminants left over from other users**
- **Superior cleaning compared to most recycle solvents**
- **Dries faster than higher flashpoint solvents**
- **We provide low aromatic & low vapor pressure solvents conforming to "Rule 66" standards**
- **Safer for your employees**

Our Unique "Product Reuse"

- **Used solvent is removed as a "product", not a waste**
- **Reduces paperwork**
- **No manifesting required**
- **Reduces waste regulatory reporting requirements**
- **Reduces your potential liability**

Environmentally Sound

- **Conserves natural resources**
- **Reduces hazardous waste, therefore; reducing your generator status**
- **True Waste Minimization, meets and exceeds Federal guidelines**

New Technology Parts Cleaners

- **Variety of models to choose from**
- **Built to handle your toughest jobs**
- **Ergonomically designed**

**Last but not least...
...it just makes good sense!**

Model: MT-16

Tank Dimensions
Length: 31"
Width: 21"
Depth: 9"
9 gallon fill level

Features:

Flexible spigot
Hose & brush
Light assembly
Spring loaded fusible link
Tank bottom sloped
Rolled edges for safety

Model: MT-30

Tank Dimensions
Length: 35"
Width: 27"
Depth: 9"
18 gallon fill level

Features:

Flexible spigot
Hose & brush
Light assembly
Spring loaded fusible link
Tank bottom sloped
Rolled edges for safety

Model: MTR35

Tank Dimensions
Length: 36"
Width: 24"
Depth: 17"
27 gallon fill level

Features:

Flexible spigot
Hose & brush
3 removable shelves
Spring loaded fusible link
Rolled edges for safety

Model: MTR45

Tank Dimensions
Length: 44"
Width: 24"
Depth: 17"
36 gallon fill level

Features:

Flexible spigot
Hose & brush
3 removable shelves
Spring loaded fusible link
Rolled edges for safety

Model: MTR60

Tank Dimensions
Length: 48"
Width: 28"
Depth: 18"
54 gallon fill level

Features:

Flexible spigot
Hose & brush
3 removable shelves
Fusible link
Rolled edges for safety

Model: MTR80

Tank Dimensions
Length: 48"
Width: 27.5"
Depth: 32"
72 gallon fill level

Features:

Adjustable agitation
Hose & brush
Fusible link
260 lb load capacity
Rolled edges for safety

**Here's how our
"Reuse Program" works!**

We deliver 100% pure virgin solvent on a regularly scheduled service interval between 1 – 12 weeks of your choice.

*During this service visit, we remove the used solvent from your parts cleaners. Your used solvents are then loaded on to a FCC vehicle and removed off-site as **PRODUCT**, not a waste.*

*Your solvent is not a waste, it's a "product". There are no manifest requirements; therefore, reducing regulatory reporting requirements.
[See: 40 CFR 261.2(e)(1)(ii)]*

We then test and verify each container of used solvent to ensure it meets the end user specifications.

The consolidated used solvents are then shipped to a manufacturer that uses them as an ingredient in their manufacturing process.

Come see why so many are switching to FCC's parts cleaner service, and start enjoying the benefits of having a safer work place, reduced paperwork and of course reduced costs!

Model: MTB-5

Tank Dimensions

Length: 27"

Width: 14.75"

Depth: 6.75"

5 gallon fill level

Features:

Hose & brush

Adjustable cart 12.75" - 36.75"

4 Casters, 2 locking

Fusible link

Full shelf - no splash

Rolled edges for safety

Model: MTB-10

Tank Dimensions

Length: 33.5"

Width: 24.5"

Depth: 11.25"

10 gallon fill level

Features:

Hose & brush

Split lid

Fusible link

4 Casters, 2 locking

Fold up handle

Model: MTI-5

Tank Dimensions

Diameter: 14"

Height: 27"

9 gallon fill level

Features:

Heavy duty reversing motor

Lever lock drum ring

Rugged metal basket

Air regulator included

Model: MTPR-5

Tank Dimensions

Length: 45"

Width: 19"

Depth: 19"

5 gallon fill level

Features:

Hose & brush assembly

Clean rinse cycle

Hose flushing attachment

Pneumatic door opener

Fume extractor
